Chapter 1 by Rose Richie Deslorges

I looked at bae inside the cabinet.

The chocolaty goodness staring back at me.

We'd fallen for one another,

Our bond stronger than ever.

It didn't need to ask to get eaten, I'd just dig a fist in the brown substance, removing it than shoving it into my drooling mouth.

My eyes circled back.

Our love couldn't end! It shouldn't end.

I couldn't resist it and it couldn't resist me.

It needs me and I needed it;

Nutella was my true love.

It whispers sweet things in my ears,

Giving me a delicious flavor to satisfy my hunger.

I was craving Nutella like no other.

I even fought for Nutella.

I'd hated how others would crave Nutella like I do;

They'd give it that look;

Look of desire,

Nutella was mine and mine

Made of the finest ingredients

Sugar, modified palm oil, hazelnuts, cocoa, skimmed milk powder, whey powder, lecithin, and vanillin.

Chapter 2 by Chloe Martin

She didn't know she could she know that Nutella was really mine. How could anyone know our secret love,I accepted Nutella for what it was what it truly is. She didn't understand Nutella like I did, the creaminess often cuddled me in its brown warm sheets..how I would stay there forever. I'm okay with sharing Nutella because I know it truly loves me unlike the bond that you and Nutella share.Unlike you I don't just eat Nutella to get a high off of it I am in-love with it because of what it stands for. How can you call yourself a Nutella lover if you don't even take a shower with the Nutella! I on the other hand use Nutella as soap as my bed as my car Nutella is my soul!
